

**DIRECTIONS:** Take one to two capsules daily, or use as directed by your healthcare practitioner. If necessary, capsules may be opened and contents sprinkled over food.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

**ACTIVATE** is a cost-effective, non-prescription, broad-spectrum, digestive enzyme formula suitable for vegans and designed to support the digestion of fat, protein, carbohydrate, fiber, and lactose. This comprehensive formula contains lipase, proteases, alpha-galactosidase, hemicellulase, papain, lactase, and other key digestive enzymes. ACTIVATE works in a wide pH range—unlike porcine pancreatin, which works in a narrow pH range.\*

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

**STORAGE:** Keep tightly closed in a cool, dry place out of reach of children.

**DOES NOT CONTAIN:** Wheat, gluten, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, or artificial sweeteners.

Maltodextrin (derived from corn) is used to standardize enzyme activity.

**DIRECTIONS:** Take one capsule daily, or as directed by your healthcare practitioner. Do not use if tamper seal is damaged.

**CLEANSE** features a concentrated 4:1 extract of Oregon grape root, which supplies berberine—a plant alkaloid that influences the activities of microorganisms in the gastrointestinal tract, supports immune function, and may influence the natural inflammatory response. The 4:1 extracts of bayberry bark and grapefruit seed complement the actions of berberine to support healthy microbial activity, stimulate circulation, and promote mucous membrane health. Zinc is included in this formula for its immune-supportive effects.\*

**DIRECTIONS:** Mix one scoop in 2-4 oz water one to three times daily, or as directed by your healthcare practitioner.

Children and pregnant or lactating women should consult their healthcare practitioner prior to use. Do not use if tamper seal is damaged.

**ENHANCE** features four specialized ingredients for enhanced gastrointestinal support. This unique formula contains concentrated extract of licorice that has been processed to remove glycyrrhizin—thus reducing risk of side effects associated with licorice. Glutamine serves as the predominant fuel and nitrogen source for the mucosal lining of the gastrointestinal (GI) tract. Arabinogalactan from the North American larch tree is a naturally occurring polysaccharide that provides excellent support for GI health. Research suggests that arabinogalactan plays a role in the promotion of gut microflora and may increase beneficial short-chain fatty acid production. The *Aloe vera* leaf extract in ENHANCE has been processed to remove the bitter principles and prevent a laxative effect.\*

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

**STORAGE:** Keep closed in a cool, dry place out of reach of children.

**DIRECTIONS:** Take one to two capsules at bedtime with 8 oz of water, or as directed by your healthcare practitioner. Do not use if tamper seal is damaged.

**RELAX** is designed to support gastrointestinal (GI) regularity and complement dietary fiber intake. Magnesium citrate is present to support muscle relaxation and bowel elimination. Cape Aloe is added to support normal GI transit time and stool bulk. Triphala, a balanced blend of astringent fruits used extensively in Ayurveda, is present to support all phases of digestion, assimilation, and elimination. Gastrointestinal regularity in turn plays a fundamental role in detoxification, providing a major route for elimination of toxins.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**CAUTIONS:** Consult your healthcare practitioner before use. **DO NOT USE IF YOU ARE PREGNANT OR NURSING.** Discontinue use if diarrhea or abdominal pain develops. Intended for occasional support of bowel movements.

**STORAGE:** Keep tightly closed in a cool, dry place out of reach of children.

**DOES NOT CONTAIN:** Wheat, gluten, corn protein, yeast, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, artificial colors, artificial sweeteners, or preservatives.

# RESTORE

*100 Billion CFU Probiotic*

*Dietary Supplement*

*Pharmaceutical Grade • Professional Use Only*

*30 Acid-Resistant Vegetable Capsules*

**DIRECTIONS:** Take one capsule with water daily, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

**RESTORE** is a vegetarian, dairy- and gluten-free, four-strain probiotic totaling 100 billion CFU\* per capsule. Each vegetarian capsule is sealed in nitrogen-purged aluminum blister packs to serve as protection from factors proven to compromise the stability of probiotics such as heat, moisture, and oxygen. RESTORE provides four researched strains of beneficial bacteria, including the extensively studied HN019 strain of *Bifidobacterium lactis*. These live microorganisms have proven health benefits and well-established safety, and have been tested for epithelial cell adhesion and/or resistance to low pH.\*

To further support resistance to low pH and the delivery of microorganisms to the small intestines, Dr. Pedre Wellness employs DRcaps™ gastro-resistant capsules. These specially designed, innovative capsules help slow exposure of actives to stomach acid and ensure more targeted release.\*

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**STORAGE:** Store in a cool, dry place out of reach of children.

**DOES NOT CONTAIN:** Wheat, gluten, soy, animal or dairy products, fish, shellfish, peanuts, tree nuts, egg, ingredients derived from genetically modified organisms (GMOs), artificial colors, artificial sweeteners, or preservatives.
